Dancing, Stars Mark Music City Opening

Dancing in the parking lot of the South Bay Shopping Center will highlight the grand opening of the new Music City store tomorrow evening.

Guest stars on hand will include Kaye Starr, the Lennon Sisters, Dobie Stevens, the

Beach Boys, Jack Jones, Jan Dean, Dick Dale, Johnny Prophet, Tim Morgan, Vic Dana, Trini Lopez, Wayne Newton, Bud and Travis, the Surfari's, the Ventures, Gene McDaniels, Tony Jerome and the Righteous Brothers.

Radio personality Bob Crane will emcee the event which is promoted by Music City president Clyde Wallichs as "a show business premiere taken right out of Hollywood's book." Wal-

lich promises a "fortnight of fun" at the new store, corner Artesia and Hawthorne.

OFFICIAL HOSTESS of the long event will be Marilyn Fox, well-known television actress and night club entertainer, recently signed by Wallichs as Miss Music City.

A lover of birds and marine animals, Marilyn recently swam with Flipper, the porpoise; fed Bubbles the Whale, and "sang" with Cy, the sea lion in their "native Marineland habitat."

They all became so friendly that the two penguins agreed to join the blonde beauty for personal appearances at the new store on two Sunday afternoons, Nov. 17 and 24.

The big affair following the official grand opening kicks off tomorrow evening at 7 with a steady stream of stars and surprises including \$2,509 worth of prizes and an album-a-day give-away and general fun.

Among the stars appearing throughout the week are Dick Dale, Johnny Prophet, Tim Morgan and Trini Lopez.

An all night discathon will feature for the first time in radio history a 24-hour live broadcast remote from the store beginning midnight Friday and ending midnight Saturday.

Wallichs will honor 10 South-west communities with a valuable donation to "enhance community recreation and entertainment."

TOMORROW AND Saturday, the mayors and chambers of commerce members of Torrance, Redondo Beach, the Peninsula communities, Lawndale, San Pedro, Hermosa Beach, and Hawthorne, will be invited to Music City, each to accept a Columbia Masterwork stereo record player as a personal gift from Wallichs.

The object is to make the music from the stereo set available where it will do the most community good. Wallichs will leave it up to the mayors and community leaders to choose the best place for each set, whether it be local recreation hall or hospital.

CLYDE WALLICH'S AUDITIONS . . . President of the Music City stores and Marilyn Fox, officially Miss Music City, take time out from grand opening preparations to hear Cy, the singing sea lion at Marineland of the Pacific, hit the high notes. Miss Fox will be assisted this Sunday and next by two penguins from Marineland in her personal appearances during the 10-day grand opening of the new Music City store in the South Bay Shopping Center. The first day of business is tomorrow.

FREE Turkey

McMAHAN'S HOLIDAY SPECIAL

... Our Royal Treat for the Whole Family ...

A delicious turkey for all your family to enjoy on Thanksgiving Day — just for buying what you want and need right now! You get your Turkey Certificate at the time you make your purchase of 49.95 or more, but you can hold it right up to the day before Thanksgiving if you wish.

Men's Club To Salute Newspapers

Tenth annual Community Press dinner sponsored by the Alondra Park Methodist Men's Club, has been scheduled for Dec. 7 at the church, 3153 W. Compton Blvd., it was reported this week. The annual dinner is held to say "thank you" to community newspapers "for the many ways they help us and serve our community," a club spokesman said.

Theme for the 1963 dinner will be "Spirit of '63" and autumn colors will be dominant.

Motorists Gets Tips From CHP

With the seige of early morning fog we've seen in Torrance this week, the following tips from the Highway Patrol seem right on schedule:

Reduce your speed and turn on your headlights. These, say Highway Patrol Commissioner Bradford M. Crittenden, rank as the first and second most important requirements for safe driving in the fog.

Increase your following distance. A sudden slowdown ahead then won't find you short of room to stop.

Be alert for side traffic. A car entering from a side road is not easily seen, and a split second may save you from a collision.

Carson Rezoning Case Submitted

Application for rezoning of property on 120th Street just west of Main Street from agricultural to limited multiple residence use has been held under submission by the Regional Planning Commission.

Seeking to rezone the 32,900 square feet of property is Kate H. Mantych, who lives at 132 W. 220th St.
